

The team at Portwest are here to help ensure that you have the right gear to fulfil your goals!

We at Portwest stock the perfect shoes for tackling the Sea2Summit course. We currently stock a range of **Salomon trail running shoes** that are perfect for keeping your footing steady in off-road rugged terrain; they are designed with adventure racing in mind, and as a result are very lightweight yet durable.

**Why not call into our Westport Store and check out our Salomon Range**
