A Message from Race Director Paul O'Brien

Welcome to the 2026 Sea2Summit Adventure Race. We're delighted to welcome you for this year's event. A huge thanks to our competitors over the years who have helped make Sea2Summit one of Ireland's biggest events. Sea2Summit is a fantastic experience, made so by our competitors, our brilliant volunteer marshals, support organisations, and the fantastic support of the local community & businesses of Westport.

Our primary aim is that all competitors complete the event safely and enjoyably. You have a key role to play in making this happen. I would specifically remind you to closely observe the following:

1. **Read through the Race briefing slowly & make sure you are fully conversant with the course and rules.**
2. **Take special note of the 'Important Notices for 2026' section.**
3. **Please ensure you watch the video regarding the new speed ramps at T2 & compulsory wearing of helmets on the Croagh Patrick stage of the event. The link is** Sea To Summit 2025
4. **Supporters are requested NOT to drive the course following competitors.**
5. **The Maum area from Kilsallagh to Drummin is CLOSED between 9.30am and 12 noon (except to local traffic).**

The Sea2Summit event takes place on busy public roads, the majority of which are open to the public. Please co-operate with the Gardaí and marshals to help ensure a safe race for all. Be responsible for your safety and that of other competitors and road users. Thank you for choosing Sea2Summit! Have a great day and see you at the after-party!
